7. Demerits of CIRC Center
Man made many things but error is always there. Some extent it is good but the center and portal provide only link the needed information but readers not get proper information from that links are did not updated. Portal also updated because day to day new changes are going in present world that’s why regular update process always needed.

The center hall is not sufficient because only 40 to 60 members can sit in this hall so user not comfortable and Girls did not comfortable in this hall and collection of competitive exams books are day to day update. Drinking water facility is to provide.
8. Conclusions

Career information center is most useful for young post graduate student community because after the graduation they are searching jobs information, further research works, Scholarship or any other information related is career improvement information will get easily form our career information portal or Career information center. Student community not only career information other personal knowledge of application writings, language skills, communication skills also get from our portal links. Library CIRC portal nice but user did not get training and regular message service about the job or research information then librarian will conduct the training for language learning courses, resume writing skills and other useful classes then it will good one for the student community.
